Pokémon

Sakura (Narrator): Festival of Bonds!
The group walks deeper into the bustling festival streets. Lanterns sway gently above them as music and laughter fill the air

Raye: Look at the items they put. I'm sure we're going to have some fun tonight.

Sarah: And all of them are wearing kimono outfits around. They look cute.

Ash: You're welcome to wear them if you want.

Ty: I love it too. I had no problem with it.
A few townspeople recognize them and begin to whisper excitedly

Townsman #1: Hey, isn’t that the trainer who beat Morty?

Townswoman #1: You mean the boy with the Teddiursa?

Ty: Looks like they recognized me clearly, about my battle against Morty.
They approach Ty with warm smiles

Townsman #1: Congratulations, kid! Earning the Ecruteak Gym Badge is no small feat.

Townsman #2: Morty told us everything about you. Your skills were impressive.

Ty: **Smiling** Thank you. My battle with Morty was awesome.

Townsman #2: You earned it, kid! Morty doesn’t go easy on anyone!

Teddiursa: **Beaming in excitement** Teddiursa!
More people gather, turning their attention toward Ash

Young Trainer: And you must be Ash Ketchum, the trainer who won the championship.

Older Man: Oh yeah, we saw him live. You were a good, young man.

Ash: **Smiling** Thanks. I earned my victory.

Pikachu: **Proudly** Pika-pi.

Ash & his friends: **Chuckles**

Raye: Looks like you two are the center of attention tonight.

Sakura: **Laughing** Seems like Ecruteak City chose the perfect night to welcome you both.

Ash: **Chuckles** They know us better.
The crowd continues to cheer for Ty and Ash. Lanterns sway overhead as music begins to build in the background, then, Sakura's sisters step forward, smiling warmly

Sumomo: Sakura, you made it back.

Sakura: Hey there. How are you four?

Koume: We're so happy to see you back.

Tamao: We've been waiting for you to be ready for our performance at the theater.

Koume: The festival's not complete without our kimono dance.

Satsuki: And tonight, we dance together, just like old times.

Sakura: I'm ready! I've invited Ash and his friends to watch us
Ash and the gang watch, amazed at the elegant display

May: Wow, they're gorgeous!

Jonah: This is going to be so cool. They're ready to see your kimono performance.

Sakura: It'll be ready anytime.
Meanwhile, Morty approaches to the gang

Morty: Well, well, if it isn't Ash Ketchum and his team.

Max: Look, it's Morty.

Ash: Hey, good to see you again!

Pikachu: Pika Pika.

Morty: Nice to see you again. Especially you, Ty.

Ty: Good to see you too. I'm glad I got the chance to battle you from last time.

Morty: And you earned that badge. You proved yourself to be a worthy trainer.

Ty: I'm getting good at it. This is all thanks to my buddy and my pokemons.

Teddiursa: **Approved** Ursa!

Morty: **Smile** Your journey didn't end with our battle, did it?

Ty: Not even close. I've been earning badges nonstop. I'm almost ready to compete at the Indigo Plateau once I get two more badges.

Morty: That's a small goal for you. Your Pokémon's spirit is stronger now. It's your bond.

Ty: We've been through a lot together. Wins, losses, and learning what it really means to trust each other.

Morty: That trust is what separates a trainer from a challenger. You've grown both as a trainer and as a person. And your Pokémons are growing with you.

Ty: **Smile** That means a lot to me.
They smile each other as the festival continues on

May: Since Ty is getting stronger now, we should have a great time at the festival they have.

Ty: Yeah, I was thinking of that.

Dawn: This festival is going to be great.

Sakura: Before the festival begins, would you all be willing to help us set up decorations and prepare tea for our guests?

Ash: Sure! We'd be happy to help you.

May: That will be grateful.

Raye: Will volunteer before we celebrate.
Ash and his friends have agreed to help

Koume: As we celebrate, I will get you a kimono outfit for all of you.

Raye, May, Dawn, Avery, Sarah & Lillie: **Excited** Really?! We love it too!

Max: Are these girls serious?

Ty: Then I want a kimono outfit as well.

Jonah: Same for me.

Ash: I can't wait to wear it.

Pikachu: Pika Pika.

Manaphy: Mana.

Teddiursa: Ursa.

Max: Okay, then.

Morty: Let's celebrate together.
They gladly accept the kimonos outfit as the Kimono Sisters smile in appreciation. Lanterns glow warmly around the theater, with streamers and charms sway gently as the final decorations are put into place

May: All done. It looks amazing here.

Dawn: It is so elegant and peaceful.

Sumomo: **Smile** It's perfect. Thank you for your help.
They offered them a hot tea around

Sakura: Please, have some tea before the festival begins.

Ty: Thanks. Just like last time we had.

Max: Feels nice after all that work.

Jonah: And the pokemons are enjoying the festival too.

Morty: Since you're here, the food stalls outside are already open. Why don’t you all come with me and grab a snack before the performances begin?

Max: Snacks?! I’m in!

Pikachu: Pika!

Teddiursa: Ursa!

Manaphy: Mana!

Ash: Yeah, let's grab a snack to eat and have some fun.

Sakura: That's good. I should stay here. We need to prepare for our dance soon.

May: Will see you later.

Ty: Come on guys.
**Ash, Ty and their friends wave as they follow Morty toward the exit, the sounds of festival music and laughter growing louder outside.*

Jonah: Wow… Ecruteak really knows how to throw a festival!

Avery: Everything’s so beautiful at night.

Ty: This feels kinda special being back here after the gym battle.
As they are having a great time, Team Skull, wearing kimono disguises, huddles together by spying on the gang without being noticed

Plumeria: **Irritated** Tch… festivals ain’t my thing. But Ash and his team are here somewhere.

Guzma: Don’t blow our cover, boss. We find them first, and then we settle the score.

Zipp: When do we begin, boss?

Guzma: We’ll split up around and track down those kids and their pokemons. Failure is not an option.

Zipp: Leave it to us.
Team Skull grunts nod, splitting up to any area to track down Ash's team. During the search, Yuho and Rapp were looking around with the fully crowded people

Rapp: Any sign of them?

Yuho: No, but I can't see because of these crowds.

Rapp: They can't be far from here.
Then, he saw a young boy with wearing kimono, believing to be “Ash” who was walking happily, holding a skewered snack

Yuho: Wait! I found him!

Rapp: Where?

Yuho: The one with the outfit! Let's go!
Yuho and Rapp rushes forward to “Ash” and grabs his shoulder

Yuho: Found you, twerp! Team Skull’s—

Boy: H-huh…?

Yuho: Ehh!?

Rapp: What the?
They realized that the boy wasn't Ash Ketchum, the boy started to cry

Boy: Aaagh! Grandma!!
The grandmother spins around instantly, eyes blazing and smacks Yuho in the head with her fan

Grandmother: HEY! WHAT ARE YOU DOING? LET GO OF MY GRANDSON!

Yuho: OW!! Sorry, wrong boy!

Grandmother: Get out of here now!

Rapp & Yuho: **Feared**
Rapp and Yuho backs away by retreating away as they hide to the building, losing them

Rapp: Well, that wasn't after all.

Yuho: Grrr…But my head hurts.

Rapp: That wasn't Ash, you idiot.

Yuho: Sorry…
During their fun activity at the festival, Ty approaches with their friends, offering them a snacks

Ty: Here, everyone. I brought snacks for all of you.

Raye: Nice! You're officially the snack hero of the night.

Jonah: That looks good.

Dawn: These are amazing!

Ty: Here, buddy. Share this with your friends.

Teddiursa: Ursa. Teddiursa.

Eevee: Eevee.

Pikachu: Pika pika.

Manaphy: Mana.

Squirtle: Squirtle, squirtle.

Rockruff: Rockruff.

Plusle: Plu.

Minun: Min.
Teddiursa shares dumplings with his buddies just as Sarah and Lillie face off at a ring toss stand, with plush pokémon and charms prizes hang behind the booth

Vendor: Last round! The winner takes the Poliwhirl charm!

Lillie: Here goes nothing. Hah!
She tosses a ring, but it narrowly misses

Lillie: Ah, so close. Your turn, Sarah.

Sarah: *Determined** All right. It's my turn.
*Sarah tosses the ring. It lands perfectly around the Poliwhirl figure**

Sarah: **Happy** Yes!

Vendor: We've got a winner!
*She accepts a Poliwhirl charm, holding it up proudly**

Sarah: **Smile** I'll treasure this as my collection.

Lillie: **Laughing softly** Congrats, Sarah. You earned it.
*Snowy hops happily at Lillie's feet**

Snowy: Vulpix!

Lillie: Hehehe, I did good, Snowy.
*The group regathers, laughing and chatting as Pokémon wander freely beside them. A small crowd gathers around a Magikarp Scoop booth. Paper scoops float on the water as Magikarp swim lazily beneath**

Vendor: Step right up! Catch a Magikarp, win a charm!

Ash: Alright! I've caught way harder Pokémon than this!

Pikachu: Pika!

Max: See if you can catch one.
*Ash steps forward confidently, rolling up his sleeve while May and Max watches him Ash carefully lowers the scoop into the water**

Ash: Easy, almost there.
*As he lowers the scoop carefully, the paper scoop rips instantly**

Ash: Huh—?!

May: The scoop broke.

Vendor: Sorry, kid. You lose. Better luck next time!

Ash: Aw, come on! I was so close to winning.

May & Max: **Laughing**

May: Ash, you've battled as a professional trainer, but you can't scoop a Magikarp, Mr Champion?

Ash: Hey! It's harder than it looks!

Max: Sure it is.
*Ash crosses his arms, clearly offended**

Ash: I just need another try!

Ty: Hey guys, what's up?

Raye: What are you doing?

May: Well, Ash tried to win a prize on this scooping game, but failed.

Ash: At least I tried.

Raye: Mind if I give it a shot?

Ash: Sure, go for it.
Raye kneels, steady and focused. She gently lowers the scoop, waiting for the Magikarp to drift closer instead of chasing it

Jonah: Whoa, she's being patient.

Ty: That's the trick.

Avery: She's more focused.
The Magikarp swims right over the scoop. Raye lifts it smoothly

Raye: Yes! Got it!

Vendor: We've got a winner!
Ash and his friends cheered for Raye by winning the game as the vendor hands an Eevee charm as a prize

Vendor: **Smile** Congratulations! Here's your prize.

Raye: **Smile** Oh, this is cute.

Eevee: **Happy** Eevee!
Raye clips the charm onto her bag

Raye: **Smile** What do you think, Eevee? Do you like my decoration?

Eevee: **Approved** Vee, vee.

Raye: **Giggles**

May: **Smile** That was actually really good.

Ty: You actually won the scooping competition.

Avery: She's now the champion of scooping, better than Ash.

Ash: **Sigh** Guess I can give you credit for that.

Dawn: You did good anyways, Ash.

Pikachu: Pika pika.

Ash: **Smiling** Alright, then. Let's have a rematch next time.

Raye: Sure do, Ash.

Manaphy: Mana.

Teddiursa: Teddiursa.

Lillie: But still, this festival is still a fun time for all of us. We still have time to celebrate.

Sarah: And I can't wait for Sakura and her sisters for their performance.
The group laughs as lantern light reflects off the water, the festival continuing around them. Guzma and his grunt stands with his arms crossed, his eyes locked onto the crowd below, and spots Ash and his gang, laughing near the stalls, completely unaware

Guzma: There they are...Still smiling, huh? Enjoy it while you can.

Zipp: You really wanna crash a festival? That’s low—even for us.

Tupp: Heh. This ain’t about the festival.

Plumeria: It’s about payback.
They watched Ash laugh as Pikachu tugs at his sleeve. Fireworks burst in the sky

Guzma **To his grunts** Listen up. Stay hidden, once we tricked them, it's our chance to battle against them, and capture their pokemons.
Plumeria and the grunts nods on Guzma's plan

Guzma: Let ’em stay positive. Sooner or later, we strike.
They continued by watching the festival, contrasting sharply with the danger lurking above. Fireworks explode overhead, painting the night sky in brilliant reds, blues, and golds, Manaphy floats happily beside her, clapping its tiny hands as sparkles reflect in its eyes

Manaphy: Mana.

May: Wow…they’re beautiful.

Max: That's a lot of fireworks.

Dawn: Ecruteak’s festivals really are something special.

Ash: Yeah... moments like this make the journey worth it.

Pikachu: Pika!
Ty watches the fireworks, unconsciously touching the Mineral Badge on his jacket

Ty: Hard to believe how far we’ve come already.

Raye: Two badges left before the Indigo Plateau.

Jonah: You’re almost there, my friend.

Sarah: **Smile** Let's say, it’ll be Ty’s victory party.

Avery: **Smile** I’d like that.

Lillie: This is a bonding moment, like this really shows how connected everyone is.
Another burst lights the sky. The group stands together in comfortable silence, for a brief moment, everything feels peaceful. But the moment is suddenly interrupted by Victor and Demi

Victor: **Mocking** So, enjoying the fireworks, losers?

Ash & his friends: Huh?

Victor & Demi: …

Lillie: You've got to be kidding me.

Ty: **Frowning** Victor and Demi.

Dawn: Not these two.

Raye: **Frowning** Especially on Demi.

Demi: Relax. We're just having a great time.

Ash: Let me guess, you got here first, right?

Victor: That's correct, Ashy-boy. We arrived here before you guys. Watching these fireworks or this festival really bored me.

Sarah: But it makes you feel bored of this festival. This is a bonding moment.

Victor: Bonding or not, I still call it a worse event.
Victor then leans closer to Ty, mocking

Victor: Though some people should probably stay behind and watch instead of getting in the way.

Ty: **Frowning** What did you just say?

Jonah: Easy, Ty.

Teddiursa: Teddiursa.

Ash: This is a festival. Not a battlefield moment.

Victor: I figured that you said that, Ash.

Ash: We're just enjoying the night.

Max: You should do the same thing we're doing.

Pikachu: Pika Pika.

Victor: Yeah, but I don't care about that.
During the rivalry discussion, Demi and Raye looked each other

Demi: Still traveling with them? Guess you haven’t changed.

Raye: Funny. I was thinking the same thing about you.

Avery: And you're looking at yourself by insulting her.

Demi: No one is talking to you.

Avery: You got a problem with me?

Sarah: Um, let's just not focus on the argument right now.

Raye & Demi: **Staring at each other** Hmph!

Victor: Just a reminder, Ty. Try to stay behind and get out of my way.
Ty quickly ignores Victor's insult as he spoke back to him

Ty: You know what? I’m not letting you ruin tonight.

Victor: Hm?
Ty shows him his gym collection from his badge case

Ty: I earned six of one of these badges. And I'll be ready for my next gym badge in the next battle. And I’m proud of that.

Raye: That’s right.

Sarah: You worked hard for them, cousin.

Victor: **Scoff softly** Six badges aren’t the end of the road.

Ty: **Calm** No. But they’re proof I’ve grown.

Victor: Good. Because I’m not here to watch anymore. I’ll be facing the next gym battle. And I’ll be walking away with my seventh badge as well, so be ready.

Ash: Sounds like a tough match.

Avery: Yeah. They're rivalry never stops.

Dawn: But he's still unfriendly to us.

Ty: And he's the worst rival.

Victor: **Mocking** You're being the worst to me.

Morty: Hey there, Victor. Is everything all right?
Suddenly, Morty meets with the gang again and Victor as well who met him early he arrived

Victor: Oh yes everything's fine. Just enjoying mocking those losers that I met.

Ash & his friends: **Annoyed**

Pikachu & his buddies: **Grumble**

Morty: The festival is meant to honor harmony. Be kind to your fellow Trainers.

Victor: Kindness won’t win battles. And I didn’t come here to celebrate, since I already faced your gym battle, I'll be ready for my next challenge that I'll be waiting for. Hear me out.

Morty: That's good to know, Victor. Keep it up.
Victor gives a short nod as he looks back at Ty and his gang

Victor: We're gotta entertain ourselves so we can ignore you and these losers. See you later.

Demi: Have a nice night. Except for you, Raye.

Raye: **Scoff** Whatever.
They both leave

May: I don't know but to say, he's still a twerp.

Raye: I agree with you, May.

Morty: Well, he doesn't care about anyone but cares for winning. But you're getting good at it, Ty.

Ty: Yep. He'll learn and see.

Teddiursa: Teddiursa.

Max: Who cares about them, let's ignore it for now.

Lillie: Max's right. We should entertain ourselves at this festival.

Ash: Yeah.

Pikachu: Pika.
As they resume to watch the festival, a gentle chime echoes through the streets

Festival Announcer: Attention, everyone! The Kimono Girls' performance will begin in just a few minutes at the Dance Theater!
The crowd erupts with excitement.

May: Oh! It's starting!

Dawn: I've really wanted to see this!

Lillie: They're dance is going to be perfect.

Sarah: **Bright eyes** And I want to see them dance with all of their hearts.

Morty: You'll like their performance, Sarah.

Manaphy: **Excited** Mana!

May: **Smile** You're going to like it too, Manaphy.
Fireworks explode across the sky, painting Ecruteak City in brilliant reds, golds, and violet

Max: Those fireworks are awesome. I want to see some more.

Raye: There's more to watch.

Dawn: Those colors are beautiful.
Near one of the festival stalls, a kimono woman who's actually Rapp in disguise, gently holds out a fluffy pink cotton candy

Manaphy: Mana?
Manaphy grabs it attention to the cotton candy to the kimono lady, offering it a bite

Rapp (Kimono outfit): Would you like to taste this delicious cotton candy? It's good for you.

Manaphy: **Smile** Manaphy.
Manaphy reaches out and takes a small bite

Rapp (Kimono disguise): Is it good?

Manaphy: **Smile** Mana.

Rapp (Kimomo disguise): Good!
Suddenly, a dark net snaps shut around Manaphy, capturing it

Manaphy: **Shocked** Mana!

Rapp: Haha! Gotcha!

Yuho: Great move, Rapp! Now let's get back to our boss and inform them.

Rapp: Sounds good. They're going to be impressed

Manaphy: **Crying for help** Mana! Mana!
Manaphy was crying for help, the gang were watching the fireworks until May noticed that Manaphy wasn't here

May: Hm? Manaphy? Manaphy?

Ty: What is it, May?

May: Manaphy's not here. Where did he go?

Avery: He was with us. But I don't see it.

Teddiursa: Ursa?

Squirtle: Squirtle?

Eevee: Vee?

Pikachu: Pika?

Plusle & Minun: ?

Psyduck: Psyduck?
Ash's team and their pokemons were looking around for Manaphy, until Max spotted him, running in the net by Rapp

Max: Hey! The woman in the kimono outfit has Manaphy!

Ash & his friends: **Shocked**

Pikachu & his buddies: **Shocked**

Manaphy: Mana!

May: Oh no, Manaphy!

Ash: May, wait up!
May chases Manaphy while the gang follows her faster, they chased around the building with people in the crowds

Sarah Stop!

Ty: Get back here!
They keep chasing without stopping until smoke bomb erupts nearby, shocking the gang and the people, Sakura and her sisters noticed the situation

Koume: What's going on? There's smoke nearby.

Sakura: It looks like there's trouble.

Sumomo: Let's go check it out!
They Nodded as they follow the smoke

Ash & his friends: **Coughing**

Pikachu & his buddies: **Covering from the smoke**

Jonah: The smoke is covering, what's going on?

Guzma: Yo, yo, yo, everyone!
Guzma and his grunts showed up along with Rapp taking off their kimonos outfit, wearing their Team Skull outfit

Lillie: No way! Team Skull!

Ash: They infiltrated here by disguising as kimonos!

Pikachu: Pika Pika!

Guzma: Hahaha! You got that correct, Ash.

Ty: They must've been following us or got here before we arrived here.

Avery: That's not fair!

Rapp: Oh it is fair. We captured this pokemon.

Guzma: Excellent work, Rapp.

Plumeria: Our objective is complete.

Yuho: **Evil laugh** Hehehehe.

Manaphy: Mana!

May: Manaphy!

Zipp: What’s with all this boring dancing and fireworks?

Tupp: Yeah. We figured it was time to crash the party.

Guzma: I'd say this festival is weak to me. And you, we’ve got unfinished business with you.

Ash: You’re not ruining this festival!

Raye: And you’re not taking Manaphy anywhere.

Pikachu: Pika!

Eevee: Vee!

Rapp: Oh please. This little Pokémon’s worth way more than your party.
Manaphy looks toward May, eyes wide

May: Hold on, Manaphy, we’re coming to save you!

Ash: All of you, go! Will handle those grunts!
Panic spreads as lanterns topple and civilians flee

Ty: Come on, let's save Manaphy and defeat Team Skull!

Teddiursa: Ursa!

Ash & his friends: Right!
They send their pokemon out to battle while Morty joins in while Sakura and her sisters

Morty: I'm going to help, guys! Gastly, Haunter, Gengar, come on out!

Gastly: Gastly!

Haunter: Haun, Haun!

Gengar: Gengar!

Ty: Let's do this together!

Sakura: We're coming to help too!
Luckily, Sakura and her sisters joins the battle, sending their pokemons out

Sakura: Espeon, go!

Espeon: Espeon!

Sumomo: Vaporeon, come on out!

Koume: Flareon, go!

Vaporeon: Vaporeon!

Flareon: Flareon!

Satsuki: Come out, Jolteon!

Tamao: Umbreon, let's go!

Jolteon: Jolteon!

Umbreon: Umbreon!

Avery: All right!

Raye: Just what we needed.
Morty and the Kimono Sisters teams up with Ash and his friends against Team Skull

Guzma: Well, you got an army of trainers and pokémons. But we have more than you! Scizor, Golisopod, go!

Golisopod: Golisopod!

Scizor: Scizor!

Plumeria: All right, everyone, let's show these losers of Team Skull!

Team Skull Grunt's: Yeah! Go!
Tupp, Zipp, Rapp, Yuho and other grunts send their pokemons out

Guzma: Let's go!

Plumeria & her grunts: Yeah!

Lillie: We won't let them be shamed.

Dawn: We're doing this right! Victor, Demi! We could use your help!

Victor: **Scoff** This isn't my problem. We're not evolved with this.

Demi: I didn't come here to babysit a festival.

Raye: **Mad** Stop messing about it, either help us or go away!

Demi: **Mad** Hey, you want something to say to me!?

Sakura: This isn't about rivals. It's about protecting people, and Pokémon. If you truly believe in strength—prove it here.
Victor and Demi paused for a moment, they were still unsurprised about it. Then, they stepped in against Team Skull

Victor: Tch. Fine. But don't misunderstand.
He steps beside Ty

Victor: I'll back you up, but just don't get in my way.

Ty: The same goes for you.

Demi: **Sigh** Guess I'd hate myself more if I walked away.
Demi pulls her pokeballs out, sending their pokemons to battle

Demi: Here it goes! Sylveon, Buneary Fennekin, Go!

Sylveon: Sylveon!

Buneary: Buneary!

Fennekin: Fennekin!

Victor: Now it's my turn! Croconaw, Snubbull, come on out!

Croconaw (Victor's): Croconaw!

Snubbull: Snubbull!
After sending their pokemons, the battle begins

Guzma: Team Skull, attack!

Team Skull Male Grunt 1: Bastiodon, attack them!

Bastion: Bastiodon!

Ty: Teddiursa, attack with your Fury Swipes!

Teddiursa: Teddiursa! Ursa!

Bastiodon: **Being hit**
Teddiursa rushes forward, claws flashing as it strikes Bastiodon repeatedly. Bastiodon staggers but holds firm

Team Skull Male Grunt 2: Drowzee, take out Croconaw!

Drowzee: Droo!

Victor: Croconaw, don't hesitate. Ice Fang!

Croconaw (Victor's): Crooo!

Drowzee: **Being hit**
Croconaw lunges, icy fangs clamping down on Drowzee, freezing it mid-hypnosis attempt* Drowzee collapses, knocked out cold

Ty: Nice hit, Victor.

Victor: Just focus on the battle! We're not done.

Ty: **Grumble**

Zipp: You two are distracting yourselves. Garbodor, Sludge Bomb!

Garbodor: Garbodor!
A massive glob of toxic sludge rockets toward them.

Ty: Teddiursa, Dodge it!

Victor: Croconaw, move!
Teddiursa and Croconaw leap apart just as the sludge explodes behind them

Ty: Croconaw, it's your turn!

Victor: Let's go, Croconaw!

Ty & Victor: Water Gun!

Croconaw (Ty's) & Croconaw (Victor's): Croc! Croc!

Garbodor: **Being hit**
Both Trainers shout at once, telling both of their Croconaw to attack with their combined move. Garbodor crashes to the ground

Zipp: Garbodor!

Ty: Way to go, Croconaw!

Victor: What are you talking about? My Croconaw got it first!

Ty: If you'd just listen here.

Victor: I don't need advice from someone still counting badges!

Ty: Because you're just jealous of me!

Victor: You're getting in my way!
Despite an unimpressed teamwork, Ty and Victor gets in the heated argument between them, shocking the everyone, except for Team Skull who are watching them laughing

Yuho: **Evil smirk** Wow, these two fight worse together than alone!

Tupp: **Evil laugh** Hehehe, they're a bunch of losers.

Plumeria: **Mocking** I love seeing those two arguing.

Ty: **Confronting Victor** You rush in without thinking!

Victor: **Confronting Ty** And you hesitate too much!

Dawn: That's enough!

Ty & Victor: **Surprised**
Dawn stops the argument between these two

Dawn: You're letting your rivalry control you. Look at your Pokémon—they're waiting for direction.

Koume: She's right. You must work together as a team instead of being enemies.

Max: And we got to save Manaphy too!

Ash: If we don't act on each other, they'll escape in any minute!

Manaphy: **Crying for help** Mana!
She gestures to Teddiursa and Croconaw

Dawn: These pokémons are trusting you. So trust each other, just this once.

Teddiursa: Ursa!

Croconaw (Ty's): Croconaw!

Ty looks at Dawn exhaling while Victor looks in a bit mad, then, they looked at each other with their rival look, and they restrained

Ty: Sure, Dawn. Will do it.

Victor: Whatever. But sure. We'll finish them off, together.

Demi: That's the way, Victor!
They exchange a brief glance—not friendly, but understanding

May: Let's save Manaphy, he needs our help!

Morty: Not to worry. You know what to do.

Haunter: Haun.

Gengar: Gengar.

Gastly: Gastly.

Plumeria: What are they doing?

Rapp: They’re planning on something.

Manaphy: Mana!

Rapp: **Mad** Hey! Quit moving!
Then, a shadow clouds appears in front of the grunts

Guzma: Huh!? What's going on!?

Rapp: The clouds!

Tupp: I can't see!
From the shadows, Gengar, Haunter and Gastly slowly rises behind her, eyes glowing red

Gengar: Genga...

Haunter: Hauu...

Gastly: Gas...
Rapp freezes in fear

Rapp: **Fear** Eeep!

Zipp: **Fear** Ahh! A ghost type!
**Gengar leans closer, shadow stretching across the ground.*
*Haunter flickers behind her. Gastly lets out a sudden, eerie laugh**

Gastly: Gaaa—!

Rapp: AAAAAH! I’M OUT!

Guzma: Wait–No!
She panics, throwing the net into the air and sprinting back toward her grunts. The net hits the ground and dissolves, Manaphy floats free just as May rushes forward

Manaphy: Mana!

May: Manaphy!

Manaphy: Mana!

May: **Happy & hugging Manaphy** You're safe, Manaphy.

Raye: All right, it worked.

Lillie: That was a great distraction, Morty.

Morty: An excellent strategy I use.

Ty: Awesome.

Victor: Hmph.
After Manaphy happily reunites with May and her friends, Team Skull continues to fight

Guzma: You worthless trainers are not even greater! Yuho!

Yuho: With pleasure, Victreebel, charge!

Victreebel: Victree!
Victreebel slithers forward, vines swaying dangerously

Demi: All right Sylveon, use Fairy Wind! Fennekin, Fire Spin!

Sylveon: Sylveon!

Fennekin: Fen!

Yuho: Victreebel, dodge their attack and use Vine Whip!

Victreebel: Victree!
**The Fairy Wind and Fire Spin cross paths, but Victreebel suddenly lunges backward, narrowly avoiding both attacks. In a flash, thick vines snap forward, Vines lash around Sylveon and Fennekin, striking it hard and knocking it back.*

Fennekin & Sylveon: **Being hit**

Demi: Sylveon! Fennekin!

Yuho: How's that, little girl!

Demi: Grrr!

Yuho: Victreebel, use vine whip again!
Victreebel rears back, vines still twitching from its last strike, until Raye and Jonah rushed on time

Raye: Not this time for you! Plusle–

Jonah: Minun–

Raye & Jonah: Spark!

Minun: Min! Min!

Plusle: Plu! Plu!

Victreebel: **Being hit**

Yuho: What!?

Guzma & his grunts: **Surprised**
Electricity surges as Plusle and Minun collide midair, releasing a brilliant twin burst of lightning straight toward Victreebel

Ash: Nice combo!
The electric blast slams into Victreebel's body, electricity racing along its vines. Victreebel convulses, its vines snapping wildly before it crashes backward

Tamao: **Impressed** Look at that!

Sumomo: **Impressed** Nice teamwork you two!

Ty: That was an awesome team strategy.

Teddiursa: Ursa!
Plusle and Minun land beside each other, sparks fading as they pose proudly

Plusle: **Proud** Plu!

Minun: **Proud** Min!

Raye: Great job, Plusle and Minun!

Jonah: You two nailed it!
Victreebel struggles, then slumps, unable to continue

Morty: Effective teamwork.

Jonah: Thanks, Morty.

Guzma: **Mad** Don't think this is over yet! Take them out!

Zipp: With pleasure, boss! Yungoos, charge!

Rapp: Zubat, go!

Zubat: **Squeak**

Yungoos: Yungoos! Yungoos!
Zipp's Yungoos and Rapp's Zubat charges at the gang, frankly, the kimono girls rushes on time to battle

Ty: Stay sharp, everyone!

Koume: Don't worry, we got this for you! Flareon, Flamethrower!

Satsuki: Jolteon, Zap Cannon!

Flareon: Flareon!

Jolteon: Jolteon!

Yungoos & Zubat: **Being hit**
Flareon unleashes a blazing stream of fire, forcing Yungoos back.Electricity crackles through the air, striking Zubat mid-flight. Both Pokémon collapse, fainted

Zipp & Rapp: **Shocked**

Avery: **Amazed** Whoa!

Max: **Amazed** Great going, you two!

Rapp: Grrr! You fools!

Plumeria: It's my turn to take those twerps out, Salazzle, attack them!

Tupp: Go get them, Salandit!

Team Skull Male Grunt 3: Stop them, Raticate!

Salazzle: Salazzle!

Salandit: Salandit!

Raticate: Raticate!
Suddenly, Salazzle, Salandit, and Raticate prepares to attack just as Sakura, Tamao and Sumomo orders their pokemons to strike them first on time

Sakura: Espeon, Psybeam!

Tamao: Umbreon, Quick Attack!

Sumomo: Vaporeon, Aurora Beam!

Espeon: Espeon!

Umbreon: Umbreon!

Vaporeon: Vaporeon!

Salazzle, Salandit & Raticate: **Being hit**
A powerful blast sends Salazzle, Salandit and Raticate skidding across the ground, knocking it out

Team Skull Male Grunt 3: N-no way!

Plumeria: They attacked us, fast!

Tupp: They used their team tactics to attack!

Guzma: **Grinning in mad** Grr… I'm done playin' games! Golisopod, Scizor, teach them a lesson!

Scizor: Scizor!

Golisopod: Golisopod!
Angered, Guzma orders Golisopod and Scizor to attack the gang, but it wasn't fair enough until Ash and Ty called their pokemons in

Ty: Let's take them out, Ash!

Ash: Good thinking, Ty! Pikachu, use Quick Attack at Scizor!

Pikachu: Pikachu! Pika, pika, pika, pika!

Scizor: **Being hit**
Pikachu becomes a blur of yellow light, darting between both Pokémon, striking Scizor square in the chest and knocking it backward

Guzma: Eh!

Ty: Now, Teddiursa, use Payback on Golisopod!

Teddiursa: Teddiursa! Ursa!

Golisopod: **Being hit**
Teddiursa tanks a hit, eyes flashing with resolve, then slams into Golisopod with a crushing counterattack. Both Scizor and Golisopod hit the ground at the same time

Guzma: **Shocked** ...What?!

Yuho: Impossible! They defeated us already!?

Ty: That's it for them!

Ash: All right, time to end this battle! Pikachu, finish with Thunderbolt!

Pikachu: Pika...chu!!!

Guzma & his grunts: Aaaghh!!
A massive bolt of electricity explodes across the battlefield, lighting up the night. The remaining grunts are blasted away along with their pokemons

Plumeria & her grunts: Aaagh!!

Guzma: WELL GET YOU NEXT TIME!!!
After their defeated, the battle was over, ending Team Ash and their friends victory

Dawn: We did it, everyone!

Ash & his friends: **Cheering**

Ty: All right! Great one, Ash!

Ash: Thanks, Ty!

Pikachu: Pikachu!

Teddiursa: Ursa!

Pikachu & his buddies: **Happy**

Demi: Oh well, I guess we did it then.

Victor: Yeah, but still...
The people and the pokemons are cheering as well while Ash and his friends gather together, tired but smiling

Ash: We won, guys.

Jonah: The festival is saved without ruining it.

Lillie: Team Skull will learn their lesson.

Sarah: **Smile** And good thing I have my Poliwhirl charm with me.

Morty: Great work all of you. That's how the team works.

May: And yours as well, it was all thanks to you for saving Manaphy.

Morty: **Smile** Don't mention it, May.

Sumomo: Thank you all of you for saving our festival. That was outstanding for all of you.

Raye: No problem, it's all thanks to Sakura and you four.

Sakura: **Giggles** We appreciate it.

Avery: Tonight truly honored the bond between people and Pokémon.

Dawn: We couldn’t have done it without you either.

May: You were amazing out there!
The sisters smile as their Pokémon gather around them while Manaphy swoops through the air twirling joyfully

Manaphy: **Joyfully** Manaphy!

May: Manaphy!

Manaphy: Mana.

May: **Relieved** I’m so glad you’re safe.
Manaphy hugs her, glowing softly

Morty: Now the threat is over, let's resume the festival and watch the kimono girl dance performances.

Ty: I like the sound of that. Are you guys ready?

Jonah: Sure.

Max: I'm happy about it. And we get to see more fireworks.

Ash: Yeah, let's go.

Pikachu: Pika Pika.

Teddiursa: **Landing on Ty's shoulder** Teddiursa.

Ty: **Smile** Let's have some fun, buddy. You too, Croconaw.

Croconaw: Croconaw.
The festival resumes after the decisive victory for Ash's team against Team Skull

Sarah: I'm excited for Sakura and her sister's performance.

Raye: They'll be ready sooner.
While they are waiting for the Kimono Girls’ dance Victor and Demi prepare to leave

Ty; Victor…

Victor: **Sigh** What is it, loser?

Ty: I wanted to say thank you. For fighting alongside me back there. You did well today.
Victor didn't respond until he gave an answer

Victor: Don’t get the wrong idea. I didn’t help you. I fought for myself and my Pokémon, not just for you.

Ty: I figured you’d say that.

Victor: But don't forget what I said earlier. Tomorrow I'll be leaving. And I don’t have time for distractions like you.

Ty: Then good luck against your next gym battle.

Victor: Tsk. Whatever…loser. Come on, Demi. I need to rest for tomorrow.

Demi: All right then. Later guys.
Victor turns away again, walking off beside Demi to the pokemon center. Without turning back, he raises his hand, giving Ty a short, firm thumbs-up. Ty blinks in surprise, then smiles

Ty: **Softly** Heh… you too.

Teddiursa: Ursa.

Dawn: Well that was unexpected.

Raye: Yeah, but Demi is totally out of her league.

May: Well, these two are not of our kind.

Avery: I say we should ignore it for now.
Then, the drums begins to play, it was the announcement

Announcer: And now… the Kimono Girls' performance will begin!

Ash: All right, it's about to start.

Jonah: Let's go, guys.

Pikachu: Pika.
They rejoin together just as the stage lights rise, the theater lights dim as everyone remains silent. Then, soft shamisen music begins, slow and elegant. Sakura and her sisters glide onto the stage, their kimonos shimmering under the lantern light, each movement graceful, precise, and full of emotion

Ty: Whoa…

Dawn: It's beautiful…

Max, Raye & Jonah: **Awe**

Lillie: Look at them dancing.

Sarah: **Bright eyes** They're actually really good.

Avery: **Awe** Ohhh, I really liked them.

Teddiursa: Ursa.

Eevee: Vee.

Manaphy: Mana.

Pikachu: Pika.

Piplup:

Squirtle: Squirtle, squirt.

Minun: Min.

Plusle: Plu.
The gang are watching the kimono girls performance without stopping in front of everyone watching. During that, Ty stands near Dawn

Ty: This festival really is a miracle.

Dawn: Yeah. This festival is always my favorite.
Their eyes meet, they share a quiet smile as the music swells until Morty joins the gang

Morty: **Smile** Having fun watching their dance?

Ash: **Smile** We are. This is an amazing night for us.

Morty: **Smile** That's great to hear from my friend. And thanks again. I owe you and your friends one.

Ash: Absolutely.
**They smile at each other until the music reaches its end.*
*Sakura and her sisters strike their final pose, then the theater erupts into applause and cheers**

Max: That was amazing!

Lillie: Way to go, Sakura!

Avery: All right!

Raye: Incredible!

Ty: You deserve more applause.

Dawn: Good job, Sakura and your sisters!
Sakura and her sisters wave at the people and pokemons, smiling in appreciation while they release paper lanterns one by one

Pikachu: Pika Pika!

Ash & his friends: **Amazed**
They float upward, glowing softly as they rise into the dark sky, like stars born from wishes as the gang watches together as the lanterns drift higher as the night star glows in the sky. The next morning at the pokemon center, the gang were packing their backpack while Nurse Joy brings their pokemons back after healing

Nurse Joy: Thank you for waiting. Your Pokémon are fully

Sarah: Thanks, Nurse Joy!

Lillie: Thanks a lot.

Ty: How are you feeling today, buddy?

Teddiursa: **Happy** Teddiursa.

Ty: **Smile**

May: How about you, Manaphy?

Manaphy: **Happy** Mana.

May: **Giggles** That's good.

Avery: So we're heading off to Mahogany Town now?

Ty: Yeah, I'll be ready to face the next gym leader anytime.

Max: And you're excited without getting nervous.

Ty: You bet that I'm more excited.

Ash: Let's make sure that you're fully ready, Ty.

Pikachu: Pikachu.
As they are ready to leave any minute, Nurse Joy approaches to them

Nurse Joy: Pardon for my intrusion. Ty, you have a phone call from your mom.

Ty: **Smile** Really?
Ty and Raye rush to the phone call from his mother, Kimberly

Ty: Hi, mom. It's nice to see you again.

Raye: How are you doing, Mrs Masterum?

Teddiursa: Ursa.

Kimberly: **Smile** Ty! Raye! I was starting to wonder how your adventure was going.

Ty: It's been amazing, Mom. We've been doing well on our adventures.

Raye: We caught our new pokemons for our team, and met up our new challenges.

Ty: And I even earned this gym badge for me. I have two more so I can compete in the league.

Kimberly: **Pride** Oh my, you've grown so much stronger, Ty. I'm glad you're both safe.

Raye: Anytime, Mrs. Masterum.
As they are having a conversation on the phone call, Kimberly smiles warmly a surprise

Kimberly: Since you're enjoying your adventure, why don't you come back to New Bark Town for a visit? That way, you'll take a break and resume later.

Ty: **Wide eyes** Really?!

Kimberly: Yes. And you can come and see us.

Ty: I'd love that!

Raye: We can visit home again, Ty!

Ty: Hey, Mom, mind if we bring our friends over?

Kimberly: Of course. The more, the merrier.

Ty & Raye: **Happy** Yes!

Teddiursa: Ursa.
Ty and Raye were excited about the news as they accepted to come over

Ty: Okay, mom. We'll come over today. I can't wait to see you again.

Kimberly: **Giggles** Same for you, my boy. Take care.
The phone call ended, Ty and Raye returned to Ash's group about the news

Ty: Hey guys. Sorry we took so long. I was talking to my mom, and she said that she would like to visit our hometown in New Bark Town.

Ash & his friends: **Excitement**

Dawn: **Excited** No way! That's awesome.

Raye: Yeah. It’s where everything started for us.

Ash: Sweet. I’m in, I've been to that town before.

Pikachu: Pika Pika.

Jonah: Taking a break from heading to Mahogany Town will be perfect.

May: Yeah, we deserve our break. Plus, I’ve to see New Bark Town.

Max: That’s where Professor Elm’s lab is, right?!

Ty: Yep. That's where we're going.
Suddenly, the sound of a beep was coming from outside. They went out and saw a passenger van driving here. It was Professor Elm

Professor Elm: Hello everyone!

Ash: Look, it's Professor Elm!

Pikachu: Pika!

Professor Elm: Your timing’s perfect. I was already headed back to New Bark Town, your mom requested me.

Ty: That's great to hear. **Smile softly** Thanks, mom.

Sarah: So we're heading back to Ty and Raye's town by today?

Raye: Yeah, you're gonna like it. And I'll let you stay at my house.

Sarah: You mean a sleepover? That's wonderful.

Max: I want to stay there too.

Ty: Sure, Max. You're welcome to stay at my home.

Teddiursa: Ursa.

May: And I'm very excited to see your parents from the two of you.

Raye: Trust me, May. They'll like you.

Manaphy: Manaphy.
As they are ready, Sakura rejoins with them while Morty appears too

Morty: Hey guys.

Lillie: Sakura, Morty. You made it.

Sakura: Are we leaving now?

Lillie: We're heading to Ty and Raye's home at New Bark Town right now.

Sakura: That's nice. I'm going with you all.

Jonah: Then it's settled then. I wonder what you have, Ty.

Ty: I bet you'll like it when we get there.

Morty: Stay safe, everyone. I'll be willing to see you again when you stop by once you come back.

Ash: We will, Morty.

Pikachu: Pika.

Professor Elm: **Smile** All right, is everyone?

Dawn: We're ready to go, Professor Elm. Come on, you guys.

Ty: Yeah. Let's go home, buddy.

Teddiursa: Teddiursa.
Professor Elm drives the passenger van with Ash and his friends sitting on their seats as they make their way to New Bark Town

Narrator: And so, Ash and his friends set their sights on New Bark Town, a place where Ty and Raye's journey begin, and excitement as they make their way back to their home town for a visit right before resuming their greatest adventure.
